

NURSING, BSN - ACCELERATED RN TO BSN ONLINE

Program Description

The accelerated Registered Nurse to Bachelor of Science in Nursing online program provides scientifically based nursing curricula to educate clinically competent, caring, nursing professionals with a commitment to excellence in practice, service, and scholarship. The program emphasizes quality and safety in patient care while also instilling lifelong learning as a hallmark of professional nurses, while serving as a foundation for graduate study.

Students will learn to implement culturally appropriate strategies for health promotion, risk reduction, and disease prevention, and use clinical judgment and decision-making skills when assessing and evaluating the health status of individuals and families.

The La Salle University Accelerated R.N.-BSN Program is fully accredited by the Commission on Collegiate Nursing Education (CCNE).

As a special service to students and prospective students, a nurse academic adviser is available to discuss the nature of the program and individual options for progression through the program. For an appointment with the nursing academic adviser, call 215.951.1471 (Main Campus).
